The Dart Ball Tournament is held on the last Sunday of April unless it is Easter Sunday which we will then move the Tournament to the 1st Sunday of May. Start time is 9:00 am sharp. We play a total of 9 games as we try to have teams from all the 4 regions playing. All teams must play a total of 3 games against the other teams. No position at the end of the day can end in a tie. If needed-a game will have to be played to determine who receives the higher position. The tournament uses the official NYS Grange dart ball board.

All teams must have at least 7 players and can play a max of 9 players at one time. Each team must field 2 members of the opposites sex at all times. An entry fee will be charged to each team that comes to cover the expenses.

All teams must call the State Director by April 15th each year so trophies can be ordered to give out to the teams the day of the tournament.

The State Bowling Competition is the first Sunday in June each year. The applications are sent out by the 1st of April each year. The price may vary as the cost of the bowling goes up and we have to adjust accordingly. Please note that the rules are enclosed on a separate page.

The bowling takes place at Cortlanes Bowling Alley in Cortland, N.Y. All fees are split to the winners after the bowling fees are paid.

We do a 50/50 raffle to help pay for running the tournament.

If you have any questions or need an entry form- please contact me.

We also have a youth and special needs class to give them more handicaps. We have set up special prizes for the Youth and Special Needs as we feel that it gives them a chance. We support all ages of the grange in our events. Also teams members can be from anywhere from across the state.

The State Golf Tournament is held on the Second Sunday in July each year. We have a rule that we change locations every two years to allow all teams to have a chance to stay close to home . We would like teams from the east to join us as we now have northern, western and central regions that play.

This is a captain and crew team format that can be made up of 2 men and one woman. Or 2 woman and 1 man. Any team can be made up from across the state and don't have to be from the same grange. If you have any questions please contact Carl Bullock.
