2024 Junior Grange Program Book Information

Welcome Junior Grange Enthusiasts,

For several years now we have been working to incorporate and create a program that your state and/or local Granges could take and run with, creating independence for Junior programs across the nation.

We have had the opportunity to listen to the National Junior Grange committee, State Directors, Leaders, Junior Grange Alumni, and Junior Grangers themselves to develop and incorporate new ideas into the program. To continue creating a successful program we are always looking for and appreciate your feedback.

Junior Grangers have always been such a delight! One of the things I have seen in the last few years is their willingness to learn and really make a difference within their community. So, after much careful consideration and input from many we have made a few changes to the program that I hope you all will enjoy.

This year we have broken everything down into a quarterly program. Of course, you are welcome to implement these things at any time during the year, however, we hope that this layout will help our Junior leaders be able to incorporate more of the National Junior Grange programming into their regular state and local programming and utilize this new format to create successful independent programs in their local and state Junior Granges. With this new layout we will learn about some of the most important aspects of being a good Granger. Starting out with a different focus each quarter, we will spend our year focusing on advocacy, agriculture, deaf awareness, and community service.

These past few years we have seen many changes in what is desired by our members. We have tried some new things out, some of which were successful while others were not as successful. That, after all, is how we learn, right? We do know that when we make changes it may take a few years for everyone to get on board and begin their own programming locally. I tried hard not to make major changes from last year to this year but there is one big change that states should note and that is the change for regional conference contests. All Sign-A-Song & Public Speaking contests will now be held at the state level. States will be allowed to send one winner in each of the contests to the national session to compete for the Best of Show title.

The National Junior department wants to continue to be a support for local and state Junior Granges. As you are making plans for different events or if you have programming questions, please reach out to us. We are here for you and to help you create a successful program.

Fraternally yours,

Samantha Wilkins

Advocacy for All Ages

Quarter 1 Focus Point

January-March

In this section you will find information on the 'Local Advocacy Project', Public Speaking Contest, Legislative Experience.

Local Advocacy Project:

Do you have an issue that affects your community? What is it? How can you make a difference and create change within your community? With this project we are encouraging Junior Grangers to identify issues within their community and research the issue and be an advocate for change. Within this process the Junior Granger should learn the legislative process of the Grange and the community in which they are working with for a change. (i.e., local government, school board, HOA, etc.)

Junior Leaders are to help the Junior Granger Identify the following:

- **Community**
 - Identify what community type you are interested in helping
 - This can be within your Grange, town, school, subdivision, etc.
- **Issue**
 - Identify what do you want to be advocating for?
 - Is this a Grange, school, local, state, or national issue?
- **Reason**
 - Once you have identified the issue determine why this issue is relevant and why you should be advocating for a change.
- **Plan**
 - Come up with a solution to work on solving the issue. Is that writing a resolution for your local Grange, speaking to the school board or local government officials?
- **Presentation**
 - Schedule a meeting with the correct officials and present your plan for change and advocate for why you think these changes are important.

Example:

Community- School

Issue- Homework is given three nights a week and you believe it should only be given once a week and due at the end of the week.

Reason- You believe homework should only be given once a week because kids are busy in the evenings, and it would give them an entire week to work on the assignment.

Plan: You want to speak to the school board to make the entire school follow the same homework guidelines.

Presentation: You went to speak with the school board about the issues and presented your plan of action and encouraged the school board to vote for a change in the homework policy.

Junior Grange leaders are encouraged to post on social media and send their advocacy projects to the National Junior Grange Department. They are also encouraged to celebrate victories and defeats that the Juniors may have during this process. Advocating for something doesn't always mean you will win, but it does mean that you are learning to work with others and help find a solution to a problem. We as Grangers have a long and very strong history in advocating. Training our Juniors at a young age to advocate is substantial to obstacles they will face all throughout life.

Legislative Experience

State Legislative Experience 2024

Since 2020 Your National Youth, National Junior Grange and National Grange Legislative Departments have worked together to develop a legislative experience to teach our young members about the legislative process of our grassroots organization and worked to develop relationships with representatives and departments from around the country.

During the past legislative experiences, we have taught attendees the basics of government and Grange policies. We are now working to encourage our states to provide their own legislative experience for their young members.

We want and encourage Youth, Young Adults and Juniors to join together at their state capitol and participate in a state legislative day. The purpose of this Legislative Experience is for Junior and Youth/Young Adult aged Grangers from across their state to come together and learn about how the Grange functions on the legislative side. Youth and Juniors should be educated on the many ways in which Grangers and citizens alike can advocate on issues they feel are important to shape public policy and communities in which they live.

We encourage states to take their members behind the scenes and look at what government is and how it operates in their own state. Junior and Youth members, along with their leaders/parents, should be invited to attend the State Legislative Experience that can be planned by the State Grange or assigned departments. Junior and Youth Leaders accompanying must adhere to the State and/or National Grange Child Protection Policy.

Grangers should make plans to attend briefings with important information pertaining to the Grange Legislative Department. Plans should also include meetings with governmental departments (such as the Department of Agriculture and Department of Education), meetings with Congressmen and Senators from your state and a tour of the State Capitol.

Just as our Grange Declaration of Purposes suggests, we will ensure that our Grange Youth, Young Adults and Juniors “take a proper interest in the politics of one’s country” so they might become the informed and involved citizens required to move America forward and to guarantee a better society for future generations.

The purpose of getting Junior Grangers involved in this Legislative experience is for Junior Grangers from across the state to develop an understanding about how the Grange functions on the legislative side.

Junior Grangers will learn to Stand UP and SPEAK Out for the Junior Grange.

Should your State make plans for a legislative day we ask that you keep the National Grange updated on your event.

Community Service

Quarter 4 Focus Point
October-December

In this section you will find information on the National Junior Grange Community Service Project, Cape of Honor, Grange in Action, and Community Service Report.

National Junior Grange Community Service Project

Teaching our children about community service is more important than ever. Community service has been a foundational piece for the Grange since its beginning. This year Junior Grangers across the country are encouraged to take part in a service project together. The basis of this project will be the same across all Junior Granges, but each Grange is encouraged to make the project unique and mold it to fit within their communities.

The goal of the 2024 Junior Grange service project is to teach kids how businesses and community organizations work. Juniors are encouraged to learn how to plan and carry out a plan of action. They are taught within service projects how to communicate with others, accomplish a task, and learn the process and rules of carrying out a service project.

2024 Junior Grange Service Project: Local Food/Supply Drive

Step 1: Identify a need within your community. Where are the supplies you collect going to go? While organizing a food/supply drive, Juniors are to figure out what the most needed items for their drive should include- this can be toiletry items, non-perishables, or more specific items such as just peanut butter.

Step 2: Locate a local organization/company that you can partner with- is your local grocery store or food service facility willing to partner with you or help you in your event.

Step 3: Develop a plan in order to have a successful event. This includes deciding on how you are going to advertise the event, if you need a budget for the event, and how long you want the event to run.

Step 4: Do the project- put your plan into action.

Step 5: Reflect- discuss with your group the good, the bad, and how you can improve the next service project. Discuss what you have learned and identify who you may have helped in this project.

BE A SUPER JUNIOR

National Grange

Junior Grange Community Service Contest

Through the National Grange Community Service Department

The intent of this collaborative program between these two departments is to bring attention to the community service projects Junior Granges are doing. We know that some Junior Granges either perform C/S projects on their own or in conjunction with their sponsor Granges. This would also be a way to enhance the 1 Plus program by drawing attention to what a single Junior is doing in their community and hopefully pique the interest of other children in that age range.

Each Junior Grange or 1 Plus member would enter a short report/booklet not to exceed **3** pages (front and back). These should include an information page about the submitting JG, which would mirror what the Subordinate Grange submits for their State Grange report book. The report would be for just a single project to make it easier for the JG's to put together the report.

REPORT TO INCLUDE:

1. Short paragraph about the project
2. Newspaper article
3. Pictures
4. Paragraph from the JG Leader about how this impacted the community and what the JG's learned.

PRIZES/AWARDS

TBD

IMPLEMENTATION DATE: NOW

Any projects completed after 10/1/2023 can be entered for this year's contest.

PASSPORT PROGRAM

The Junior Grange *Passport* is designed to be an exciting and innovative way for Juniors to learn more about *their world, their country, their state, their community, and their Grange.*

The PASSPORT program is an online digital format, so leaders will now have easier access to stamps that will not require a purchase, and thus save on programing costs within your state. This format will allow us to have constant changes and additions, which will grant us the ability to spotlight important issues or events throughout history. This transition will be beneficial to all Junior Grangers, Leaders, and Educators. Junior Grangers will now have an easy to handle notebook that will allow them the ability to keep track of their accomplishments and utilize them as resources for outside studies. Educators will be able to utilize the Passports as part of their curriculum, encouraging their students to learn more about the Grange and other educational entities that will be offered. Leaders will appreciate the ability to have immediate availability of the downloadable stamps, making it easier to plan and award Juniors with a stamp in their PASSPORT.

The program is broken down into five categories:

- 1. Grange Adventures**
- 2. United States**
- 3. Career Readiness**
- 4. American History**
- 5. World Discovery**

It is highly encouraged that each Junior Director promotes the use of the PASSPORT program. The completion of these stamps not only gives each Junior a sense of accomplishment, it also provides a challenging educational foundation. Through the PASSPORT program Juniors will gain knowledge about the Grange and the world around them that will last beyond the time they spend in the Junior Grange, laying the path for a strong future leader.

Be sure to check the Junior Grange website where you will be able to download the current PASSPORTS and be sure to check back often as there may be new Stamps introduced throughout the year!

State Director Information

In this section you will find information on Background Checks, Junior 1+ program, and State Director Reports.

The National Grange and National Junior Grange and Youth Departments encourage you to follow the National Grange Child Protection Policy and obtain a background check through the company “Safe Gatherings” www.safegatherings.com as an alternative for having to obtain and find your own background check company. It is highly encouraged to have every person in our organization that is working in a supervisory position with our Juniors and Youth under 18 years of age to undergo this background check through Safe Gatherings as it is a National Background Check program that covers many levels of security checks as well as providing a training on working with vulnerable youth and adults.

The benefits of utilizing Safe Gatherings for the Grange is:

- A No Hassle system: State Masters, Directors, and Leaders now have the pressure taken off them to make sure these critical steps are taken appropriately in accordance of their state laws.
- Everything is handled from the National Grange office and your information is kept 100% safe and secure through the Safe Gatherings Network. (No personal information is held with the National Grange)
- Safe Gatherings provides 4 levels of background checks: Local, State, National, and Sex Offender.
- Safe Gatherings provides Professional Reference Checks
- Safe Gatherings provides training for abuse prevention and ideas on how to appropriately work with minors who are at their most vulnerable time in life.
- LOW COST- the break down cost for the 2-year clearance through Safe Gatherings is less than \$2.00 a month.

Our vision is for a world in which all children, youth, and vulnerable adults are protected and feel safe.

Unfortunately, that’s not the world we live in, which is why Safe Gatherings has created a comprehensive system that screens and educates staff and volunteers – to help prevent abuse and make the world a safer place for those among us who are most vulnerable.

National Grange Child Protection Policy

The National Grange is committed to providing an environment that is safe for Juniors and Youth during National Grange activities. This policy is designed to protect our young people, instill confidence in those entrusting us with their children, and protect adult volunteers and staff from allegations that may be unwarranted.

Any individual age 18 and above, in a leadership position working directly with Juniors and Youth under 18, must obtain a clean and clear **national background check** through a company approved by the National Grange Executive Committee. It is highly recommended that the online service Safegatherings.com be used. All reports are kept confidential by Safe Gatherings and are not in possession of the National Grange, and are valid for two years.

Any individual age 18 and above, in a leadership position working directly with Juniors and Youth under 18 must obtain a clean and clear background check before their participation in any National Grange sponsored event. These events include but are not limited to: National Grange Session, Regional Conferences, Camps (i.e. Revival), and any other National Grange sponsored events.

The costs to obtain these background checks will be borne by the individual unless they are National Grange Staff, Directors, or members of the National Grange Youth Team, when the cost will be paid from their National Grange budget.

If an individual fails the background check they will not be permitted to work with Junior Grangers and/or Youth age Grange members.

Guidelines

Two deep leadership – there should always be at least two leaders age 21 or older at all Junior or Youth functions.

No one-on-one contact – One-on-one contact between adults and Juniors or Youth under 18 is not permitted. If the necessity for one-on-one interactions between adults and children arises, the interaction should occur in an unenclosed area and with the knowledge of another adult.

Junior 1+ Program

1+ Program- Individual Junior Membership Class

At the 2013 Annual Session of the National Grange, in Manchester New Hampshire, the delegates adopted changes to the By-Laws allowing an individual membership class for Junior Grange age children (5 to 14) to become members of a Subordinate/Community Grange when no chartered Junior Grange exists.

Purpose of the 1+ Program

The 1+ program allows your Grange to build a Junior Grange program one member at a time. These individual members become the core group to build a chartered Junior Grange Program. Many children have not had the opportunity to participate in the Junior Grange program because of the number of children required to charter a Junior Grange.

The 1+ Program allows children (age 5-14) the opportunity to become an individual Junior Grange member within a Subordinate/Community Grange. The children do not have a vote in the Grange, but are eligible to participate in all Regional, State, and National programs, contests, and activities on an equal status with members of the chartered Junior Granges. This would also include the National Grange Youth Fair program where it has been adopted within a State.

Sponsorship

For the 1+ Program, the Subordinate/Community Grange will:

- Appoint a Junior Grange Leader
- Provide a meeting space
- Provide financial assistance as necessary
 - Granges may dedicate specific fundraising projects for the Junior Grange Program
- Occasionally provide meeting time for the individual Junior Grange member(s) to report on their projects
- Organize a chartered Junior Grange when there are sufficient individual members to meet that requirement. The individual members shall automatically become members of the newly organized/reorganized Junior Grange. (Please refer to National Grange By-Laws, section 4.6.2 for complete details)

How to become a 1+ Program Junior Member

- An individual child, age 5-14, will complete a Junior Grange membership application and submit it to the sponsoring Grange.
- The Junior Grange applicant shall be obligated by the Master/President of the Subordinate/Community Grange. This is completed by using the Obligation Ceremony for Individual Junior Grange Membership, printed in this program book.
- Once obligated, the Subordinate/Community Grange secretary will enter the new Junior Grange member on the rolls of the Grange.
- Minimum dues for Junior Grange members are \$1.00 and are subject to change per individual State Grange policies.

Administration:

Leaders

- Qualifications

Obligation Ceremony for Individual Junior Grange Membership-1+ Program

National Junior Grange 1+ Program

Adopted: September 2014

Upon submission of a Junior Grange application, and election to membership by the Subordinate/Community Grange members, the individual Grange member will be obligated to membership using the following procedure:

Subordinate Officers Participating: Master/President, Lady Assistant Steward, Assistant Steward

During the appropriate agenda item for Obligating new members, the Master/President will say"

Master: *(from their Station)*

"Worthy Assistants, please escort our newly elected Junior Grange candidate(s) to the Altar for the Junior Grange obligation"

LAS and AS will conduct the Junior Grange candidate(s) to the Altar, asking the candidate(s) to stand in the center, facing the Altar and the Master. The assistants stand next to the candidate(s), forming a semi-circle with the candidate(s) in the center. The Master will approach and stand between the Altar and his back to the Graces stations.

Lady Assistant Steward:

"Worthy Master, it is my pleasure to introduce to you, (give names of candidates), who have been elected to the Junior Grange membership in our Grange. They are presented here to receive the Obligation and words of counsel from you."

Master:

The Grange is a family organization, welcoming all generations in its Halls and meetings. My young friends, is it your wish to join us as members of this Grange? If so, please say 'It is.'"

Candidates:

“It is.”

Master: *(Direct these words to the parents/guardians of the Junior Grange member(s) facing where they are seated in the Hall)*

“To the parents and guardians of our Junior Grange candidates, your support and guidance is most important of all. We commend you for your foresight in allowing your children to become Grange members. We ask for your continued encouragement and assistance in their participation and growth in the Grange.”

Master: *(Face the Candidates at the Altar)*

“With your election to membership in this Grange, it is my pleasure to give you the Junior Grange Pledge. The Pledge is a simple promise which you freely give to become part of the Grange Family and to live a good life. In turn, the members of this Grange promise to help and support you as you grow into future leaders in your schools and communities.”

“Please place your right hand over your heart. I will give the Pledge so that you may clearly understand it.”

(Master gives the entire Pledge slowly and distinctly)

“I Promise – that I will obey – all the rules of the Order, -- and will treat – my fellow members – with respect. – I will try to follow – the good advice – of my parents and teachers – and will do my best – to avoid bad company – and harmful habits.”

Master:

“I welcome you as members of this Grange. Remember, promises are an important commitment. As part of your Grange Family, we promise to encourage you as you continue to grow and learn. We ask you to contribute to our meetings by sharing your discoveries with us. In this way we may learn from you. We want you to know about the Grange; its past, its present, and, most of all, how you can influence its future.”

“When you turn 14 years old, you will graduate from the Junior Grange Program and once again stand at this Altar, taking the next Pledge as a Subordinate Grange member. From this time until then, you have our promise to encourage you along life’s journey.”

“We extend to you a heartfelt Welcome to our Grange.”

“Worthy Assistants, please escort our new members to their seats, introduce them and return to your stations.”

The Assistants will pass by the Master, who will shake each members’ hand as they pass. After the last member has passed by, the Master will return to his Station.

The Assistants will escort the new members to their seats, introduce them, and return to their Stations.
